- Inserts (qty = 2)

## IMPORTANT !

Please read the following cautionary statements before proceeding.

1. The “KidsDontRoll Bedsheet System” is not a toy and it should not be treated as such.
2. The “KidsDontRoll Bedsheet System” is intended to reduce the possibility of kids rolling off their bed. Use of “KidsDontRoll Bedsheet System” is not a substitute for Parental Supervision.
3. Every time, before putting your child on the “KidsDontRoll Bedsheet System”, please ensure that the system is installed properly.
4. See installation directions on the following page before using the product. Properly installed system should look like FIGURE 3 on Page 2. The video for installation directions can also be viewed at [www.KidsDontRoll.com](http://www.KidsDontRoll.com)
5. If any seams are coming apart or if the sheet or sleeve is torn, stop using the “KidsDontRoll Bedsheet System”.

\*= patent pending

**IMPORTANT !** Please follow these installation directions before using the “KidsDontRoll Bedsheet System”:

FIGURE 1 and its detail:

Install the “KidsDontRoll Fitted Sheet” on your mattress such that the open ends of the sleeves are close to the footboard. Ensure that the “KidsDontRoll Fitted Sheet” has a snug fit on the mattress.

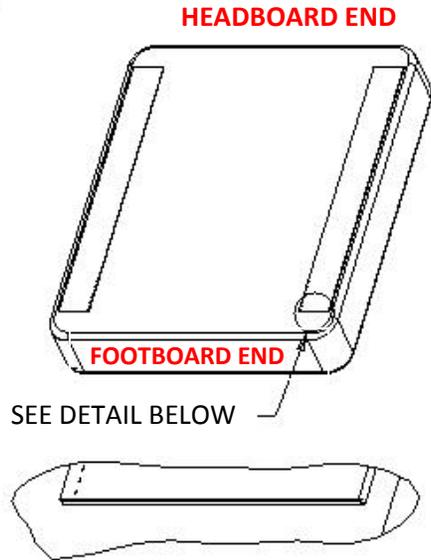

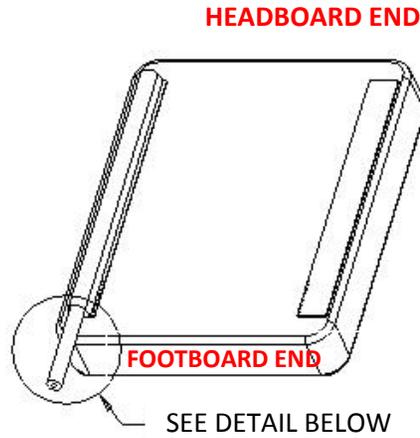

FIGURE 2 and its detail:

The sleeve on the left has an insert partially inserted into it. Be gentle while sliding inserts into the sleeves, else sleeves may tear. Slide inserts into sleeves until they stop.

**SLEEVES ARE  
OPEN ONLY AT  
FOOTBOARD  
END**

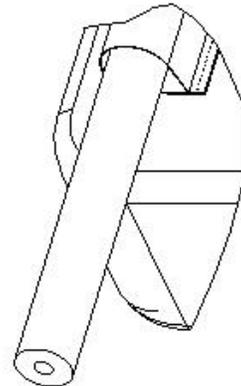

FIGURE 3 and its detail:

Fig below shows that both the sleeves have properly installed inserts in them. An insert must be inserted all the way into the sleeve, till it stops, to be considered properly installed.
